

How would you use FLIP IT®?

Write down what you would say during this scenario by using the four FLIP IT steps. You should interpret the photo using your imagination and creative license.

Child is stuffing (stealing) a toy in his pocket...

F. _____

L. _____

I. _____

P. _____

Sample Response

There are many possible ways to use FLIP IT in each scenario based on your interpretation of the photo. The sample responses are only one of several appropriate ways to respond to the situation.

Feelings - I see that you just put that car in your pocket. You love that car so much that you want to take it home with you.

Limits - You may take it home if you follow the rules and sign it out.

Inquiries - What do you need to do if you want to sign out that toy for the night?

Prompts - Can you ask me to get the sign out clipboard?
